REVERSE ENGINEERING ARENA

GENERAL RULES & CONDUCT

- Team Size: 1–2 members per team.
- Maintain professional conduct at all times.
- Use only provided systems (unless BYO is specified).
- Plagiarism or unauthorized tools result in immediate disqualification.

ROUND 1: BLACK BOX CHALLENGE (30 MINS)

- Analyze system inputs and outputs to deduce hidden application logic.
- Submit a logically sound explanation (25 marks) and the accurate formula (25 marks).
- Max Marks: 50.

ROUND 2: DIGITAL TREASURE HUNT (30 MINS)

- Search technical data and metadata to uncover flags and bypass security.
- Report all retrieved flags (25 marks) and document the analytical path (15 marks) and methodology (10 marks).
- Max Marks: 50.

ROUND 3: PRODUCT REDESIGN PITCH (30 MINS)

- Deconstruct a common product to identify structural flaws and propose practical fixes.
- Present a pitch covering analysis clarity, creativity, realism, and teamwork.
- Evaluation based on: Issues → Fixes → Impact.
- Max Marks: 100 (25 marks per category).

FINAL SCORING PROTOCOL

- Total Score: Sum of all rounds (Max 200).
- Tie-breaker: The team with the higher score in the Round 2 Technical Path wins.

AI PROMPT ENGINEERING

Rules and Guidelines

- BUILD A TEAM OF 4
- PICK A REAL PROBLEM AND SOLVE IT WITH AI
- EXPLAIN YOUR MODEL CHOICES AND PROMPT METHOD
- FINISH EVERYTHING WITHIN 3 HOURS
- PRESENT TO THE EXPERT JUDGES

ROUND 1

- GO THROUGH THE PROBLEM LIST
- SELECT ONE CHALLENGE TO FOCUS ON
- RESEARCH AND OUTLINE YOUR PROMPT PLAN
- SUBMIT YOUR CHOSEN TOPIC BEFORE YOU BEGIN

ROUND 2

- POLISH AND IMPROVE YOUR PROMPTS
- SHARE WHICH LLMs YOU USED
- CREATE EVERYTHING LIVE WITH NO OUTSIDE HELP
- REACH YOUR BEST FINAL OUTPUT IN TIME

ROUND 3

- PRESENT YOUR FINAL SOLUTION
- EXPLAIN WHY YOU PICKED THOSE AI TOOLS
- DESCRIBE YOUR PROMPT LOGIC
- ANSWER TECHNICAL QUESTIONS FROM JUDGES

Evaluation

- STRENGTH OF YOUR SOLUTION
- QUALITY OF YOUR PROMPT DESIGN
- SMART USE OF MULTIPLE AI AGENTS
- CLEAR AND CONFIDENT PRESENTATION

TECH TREASURE HUNT

GENERAL INSTRUCTIONS

- Each team must consist of 2 members only.
- Laptop is compulsory for participation.
- Mobile phones are allowed only as per instructions.
- Evaluation will be based on time and logical problem-solving skills.
- Teams must follow all instructions given in each round.
- Do not use any unfair means or external help.
- Do not damage or move any objects during the hunt.

ROUND 1 – The Sequence Quest

- Participants must answer each sequential question.
- Follow instructions carefully to reach the final question.
- Only correct answers will lead to the correct sequence.

ROUND 2 – The QR Rush

- Teams must find the hidden QR code to start a rapid-fire quiz (10 questions, 7 seconds each).
- After completing the quiz, the next location will be revealed.

ROUND 3 – The Final Vault

- Teams must go to the final room, complete the task, unlock the treasure location.
- Find the treasure boxes, and bring them to the coordinator point.

EVALUATION CRITERIA

- The first 3 teams to complete all tasks will win.
- Evaluation is based on time and logic.
- Must follow the clues and bring the treasure box
- to coordinator point.

RESEARCH PITCH

Guidelines & Regulations

GENERAL RULES:

- * The event is an offline technical/research presentation.
- * Participants must present innovative, real-world solutions.
- * Be on time and maintain discipline.
- * Mobile phone usage is not allowed during the event.
- * Any violation leads to disqualification.
- * Judges' decision will be final.

ELIGIBILITY & TEAM:

- * Open to all UG students.
- * Individual or team participation (max 2 members).
- * Only one team per participant.
- * No changes allowed after registration.

REGISTRATION & REQUIREMENTS:

- * ₹150 per participant (no refund).
- * Bring college ID and registration proof.
- * Carry pen drive with backup.

Idea must be:

- Innovative
- Research-based
- Solving a real-world problem
- Feasible
- No plagiarism or copied ideas
- No purely theoretical concepts

PRESENTATION DETAILS:

- * 3 minutes pitch + 2 minutes Q&A. | Format: PPT or Poster.

EVALUATION & RESULTS:

- * Judging criteria:
 - Innovation
 - Problem clarity
 - Solution approach
- * Results will be announced on the same day.
- * Rules may be modified by organizers.
- * Final decision rests with organizers.

Build a startup in 60 mins

- Teams must consist of 1–3 members.
- Total event duration is strictly 60 minutes.
- Each team must choose one problem statement given on spot.
- Constraints will be assigned to each team based on team number.
- Teams must strictly follow the chosen constraint while building their idea.
- A startup idea must be created from scratch during the event.
- Pitch must include: Problem, Solution, Unique Value, Target Users, Revenue Model.
- At minute 50, a Wild Card will be announced.
- Teams must incorporate the Wild Card into their pitch within 10 minutes.
- Each team gets 5 minutes to present their pitch.
- Each team will face a 2-minute Q&A session with judges.
- All team members should contribute during the presentation.
- Use of unfair means or pre-prepared ideas is not allowed.
- Judges' decision will be final.

BUG HUNT

GENERAL RULES:

Round 1:

- Total of 15 questions
- Focus on syntax errors and runtime errors
- No time limit for this round
- The round ends when 50% of participants successfully resolve all given code errors

Round 2:

- Total of 5 questions
- Focus on logical errors
- The first three participants to complete will be awarded:
 - 🏆 1st Place
 - 🥈 2nd Place
 - 🥉 3rd Place

ADDITIONAL GUIDELINES:

- Use of AI tools (e.g., Vibecoding) is strictly prohibited
- Only Python IDE (version 3.14.3) is allowed
- No internet access is permitted during the event

TECH REEL MAKING CHALLENGE

GENERAL RULES:

- The event consists of two rounds.
- Each team must consist of 1 to 4 members.
- All participants must register before the deadline.
- The entry fee is ₹300 per team.
- Each team must follow all the given instructions.
- All content must be original and related to techtheme.
- Use of vulgar, offensive, or inappropriate content is strictly prohibited.
- Any form of plagiarism or copying will lead to immediate disqualification.
- Participants must submit their entries within the given time.

ROUND 1: PRE-RECORDED REEL:

- The theme is open (participants can choose their own), but it must be technology-based.
- The reel must be pre-recorded before the event.
- Duration of the reel should be minimum 30 seconds and maximum 60 seconds.
- The reel must be submitted on the day of the event.

ROUND 2: ON-SPOT REEL CREATION:

- The theme will be provided on the spot by the organizers.
- Participants must shoot the reel within the campus in the assigned area.
- Time limit for shooting and editing is 90 minutes.
- The reel must be created only during the given time.
- External pre-recorded clips are not allowed.
- Participants must submit the reel within the deadline.

ADDITIONAL GUIDELINES:

- Teams must use their own devices for recording and editing.
- Ensure clarity in audio and video quality.
- Follow all campus rules and safety guidelines while shooting.
- Participants must maintain discipline and professionalism throughout the event.
- Judges will evaluate based on:

- * Creativity
- * Relevance to theme
- * Technical quality
- * Presentation

The decision of judges will be final and binding.
